Here's what former students are saying about CLC's Speed Reading, Retention & Comprehension course;

"Wonderful course, direct application to advanced education and future job requirements."
-K. Johnson, Joint Staff

"Excellent presentation of the fundamentals of reading and easily understandable techniques improving speed and comprehension."
-Stan Shelton, U.S. Army

"It's incredible to achieve the speeds I have and to know I'll get faster with time, which is invaluable to me both personally and professionally."
-Bob Bovard, 11th Air Wing

"I really benefited from the program. My base rate was in the low 200's - now I'm in the low 900's. Hats off!"
-Ken Bowen, USDA

"This course opened my eyes to the techniques which will improve my reading speed and comprehension."
-Ken Curry III, U.S. Army

"Techniques very actionable - they can be used in real life."
-Mike Taylor, USAF

"I am most impressed with the presentation of this course."
-Zerlene Carter, ACLU

"I would, and have, highly recommended this class to everyone."
-Jean Oatway, USUHS

"Practical, useful, encouraging, effective."
-Jan Hanson, USUHS
